FOR IMMEDIATE RELEASE

Costa Oil - 10 Minute Oil Change Becomes First Quick Lube to Offer Full Synthetic-Only Oil Lineup at Unmatched Pricing

Hanover PA - March 1st 2025– Costa Oil - 10 Minute Oil Change is proud to announce a groundbreaking shift in the quick lube industry by becoming the first fast oil change provider to exclusively offer full synthetic oil. This bold move sets a new standard for efficiency, engine protection, and affordability, ensuring customers receive the best possible service at an unbeatable price.

Effective immediately, all Costa Oil - 10 Minute Oil Change locations will provide full synthetic oil changes for just **$50**, covering **5 quarts of premium synthetic oil and a spin-on oil filter**. This new pricing structure aligns with Costa Oil's commitment to offering **high-quality service at industry-leading speed and affordability.**

"As the industry evolves, we recognize the need for better protection and performance for our customers' vehicles," said **Costa Kapothanasis, Founder & CEO of Costa Oil - 10 Minute Oil Change**. "By transitioning exclusively to full synthetic oil, we're eliminating the guesswork for customers while maintaining our reputation for speed, reliability, and exceptional value."

The shift to a full synthetic lineup benefits customers by providing:

- **Superior Engine Protection** – Full synthetic oil resists breakdown longer, improving longevity and performance.
- **Better Fuel Efficiency** – Reduced engine friction means better gas mileage.
- **Enhanced Performance in All Conditions** – Whether in extreme heat or cold, synthetic oil ensures smooth operation.
- **Longer Oil Change Intervals** – Customers can go longer between changes while maintaining optimal engine health.

Costa Oil - 10 Minute Oil Change remains dedicated to its core mission: **providing fast, affordable, and reliable oil changes without upsells or unnecessary wait times.** This strategic transition further solidifies the brand's leadership in the quick lube industry.

This pricing will only be available at corporate Costa Oil - 10 Minute Oil Change locations - please check with your location to see if participating.
